## **PETITION MARCH TO DEMAND DEMOCRACY AND JUSTICE FOR THE PEOPLE OF HAITI**

**Dear friends,**

We, the organizers of the **Movement Of Love For Haïti**, in collaboration with other concerned organizations in the diaspora and friends of Haiti, are calling on **Citizens of all nations to come march with us in Boston to demand Political Stability and Justice For the People of Haiti.**

We write to you in the hope that our words will touch the deepest recesses of your heart and soul to inspire you to lend your voice in support of our **clarion call to bring an end to the suffering of the people of Haiti.**

**Please join us on this day to tell the people of Haiti that we have heard their cries and to demand that the U.S. government end their support and endorsement for the corrupt and criminal government of Haiti.**

**The march will be held on MONDAY, OCTOBER 17, 2022. This date will also be a day of remembrance of Haiti's founding father: Jean-Jacques Dessalines.**

**October 17 is a historic day for all Haitians as it reminds us of the sacrifices consented by our forbearers to liberate us from slavery and create the First, Free Black Republic in the world.**

**Start Time: 11AM; End Time: 3:30PM**

**Starting Point: John F. Kennedy Federal Building, 15 Sudbury St, Boston, MA 02203**

**March Route:**

*Cambridge Street to Tremont Street to Park Street to Beacon Street. There will be a speaking program in front of the State House. Once the speaking portion ends, the group will resume the march to return to the JFK Building by way of Beacon Street to Bowdoin Street and finally, Cambridge Street.*

**PLEASE JOIN US IN OUR NON-VIOLENT MARCH/WALK TO PROMOTE PEACE, LOVE AND HARMONY IN OUR BELOVED HAITI. THE FUTURE OF HAITI'S CHILDREN IS IN OUR HANDS!**

**Kindest Regards,**
